

ELECTRICAL SAFETY RECALL

SOLO 417-12 VOLT BATTERY POWERED SPRAYER – BATTERY CHARGER

IDENTIFICATION: SOLO BRAND, MODEL 417– BATTERY POWERED SPRAYER CHARGER MODEL – BATTERY CHARGER SHENZHEN TENGSHUN POWER SUPPLY CO BRAND MODEL TNS30W- 120150

The above pictured charger was supplied with the SOLO 417 BRANDED SPRAYER. This recall relates to the CHARGER ONLY and not the complete Sprayer.

The Sprayers were sold at various Pest Control Product Suppliers, Rural Sprayer outlets and Turf product retailers between January 2017 & January 2018.

HAZARD: RISK OF FIRE

During charging, the charger can overheat, causing the wires to melt and potentially cause a fire.

ACTION REQUIRED:

Cease use of the charger immediately and contact the place of purchase who will arrange a replacement charger.
